

## Morgan Monroe Mandolin Rocky Top Series

### **MMR-1L** -Left Handed-

These beaties practically play themselves!

Players love the feel of a radiused fingerboard which make lightning fast runs easy and almost effortless! Match that pure ebony fingerboard to a North American Rock Maple neck and marry it all together with a Solid Hand carved Spruce top and you have a tone so sweet you'll never want to put it down. Everything you expect from a world class Morgan Monroe mandolin!
